

PLAN ESPACES POSTERS-DÉMOS

- 5 Salles/Amphis pour Démos
- 3 Espaces Posters
- Panneaux pour Posters
- Thématiques Posters

- T1.** Algorithms & data structures for sequences
- T2.** Knowledge representation, databases & visualization
- T3.** Evolution, phylogeny & comparative genomics
- T4.** Functional and integrative genomics
- T5.** Metagenomics, metatranscriptomics & microbial ecosystems
- T6.** Structural bioinformatics & proteomics
- T7.** Statistics, machine learning, AI & image analysis
- T8.** Systems biology & metabolomics
- T9.** Workflows, reproducibility & open science
